About the Program

Featuring (the amazing) [Grace Yuksek](#)

Have you ever wondered how or why the human race got to be the way it is today? Why we Americans are the way we are? Why you may sometimes feel that you don't belong here? How you as a single human being fit into the grand design of the universe? If your answer is yes to any of these questions or if you are just curious about why or how the world is as it is today, this program is for you.

The Edgar Cayce readings provide provocative answers and explanations to a wide variety of questions concerning us as a people, nation, and human race. But as many of us know, interpreting the readings can sometimes be difficult. Enter Grace Yuksek! With 35-plus years of researching the readings and skillfully explaining them in a style easy to understand, Grace is well qualified to help us unlock the mysteries of our past. But this program is no mere history lesson. Far from it!

Topics Grace will cover include:

- Our Atlantean Heritage
- Reincarnation
- The Atlantean Influence in Egypt
- Destiny, Karma, and the Test.

And best of all, Grace will explain why all that has happened in the past is relevant in our daily lives today. In addition to group discussions, Grace will lead us in several guided meditations. There will be plenty of time for questions and answers.

Prepare to marvel at Ancient Mysteries Revealed!
